If I make another move, if I take another step
Then it all would fall apart. There'd be nothing of me left.
If I'm crying in the wind, if I'm crying in the night
Will there ever be a way? Will my heart return to white?

BAD

APPLE

Rika Kuromi

Can you tell me who you are? Can you tell me where I am?
I've forgotten how to see; I've forgotten if I can
If I opened up my eyes there'd be no more going back
'Cause I'd throw it all away, and it all would fade to black
